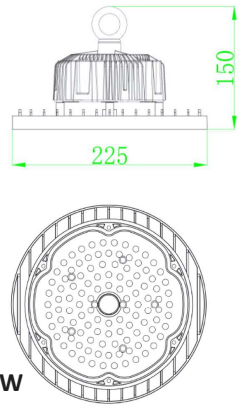
UFO High Bay Light

Intertek

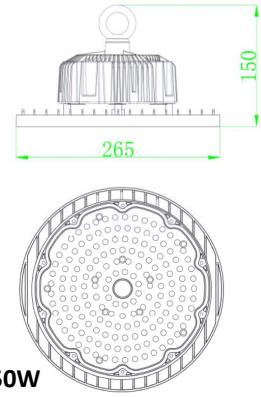
PRODUCT DESCRIPTION

UFO High Bay Light combines powerful illumination with exceptional energy efficiency. Featuring CCT selectability, this innovative fixture allows users to adjust the color temperature to suit various environments, enhancing adaptability across different applications. Ideal for high-ceiling commercial spaces such as warehouses, gyms, factories, and indoor stadiums. Its sleek design ensures uniform light distribution with a wide beam angle, maximizing efficiency and providing a sustainable lighting solution.

Dimensions

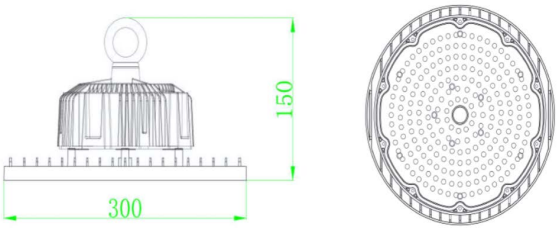


UFO100W



UFO150W

UFO200W / UFO240W



All Measurements in mm
