

4 in. Round Mounting Bracket for Outdoor Pole Lights

PRODUCT DESCRIPTION

The Round Mounting Bracket is designed for easy and secure attachment of lighting fixtures to 4-inch round poles. Constructed from durable materials, this bracket is built to withstand outdoor conditions and ensure longevity. With its versatile design, this bracket allows for straightforward installation and adjustment of lighting fixtures, providing flexibility in directing light where it's needed. The bracket is compatible with the 2 3/8-inch slip fitter OD standard, making it suitable for a variety of outdoor lighting applications.
