

2-Light Wall Lantern Sconce

PRODUCT DESCRIPTION

This wall lantern features sleek black finish and frosted polycarbonate lenses, offering a contemporary style into your outdoor space. Designed for versatility, they are suitable for use in dry or damp conditions, making them ideal for covered porches, patios, or verandas. This elegant lantern ensures safety and convenience, enhancing your living environment with its smart design. The 2-Light wall lantern accommodates a medium-base bulb up to 60-Watt (bulbs not included), casting ambient light to enrich the ambiance of your home's exterior.
